Learning software teachers love

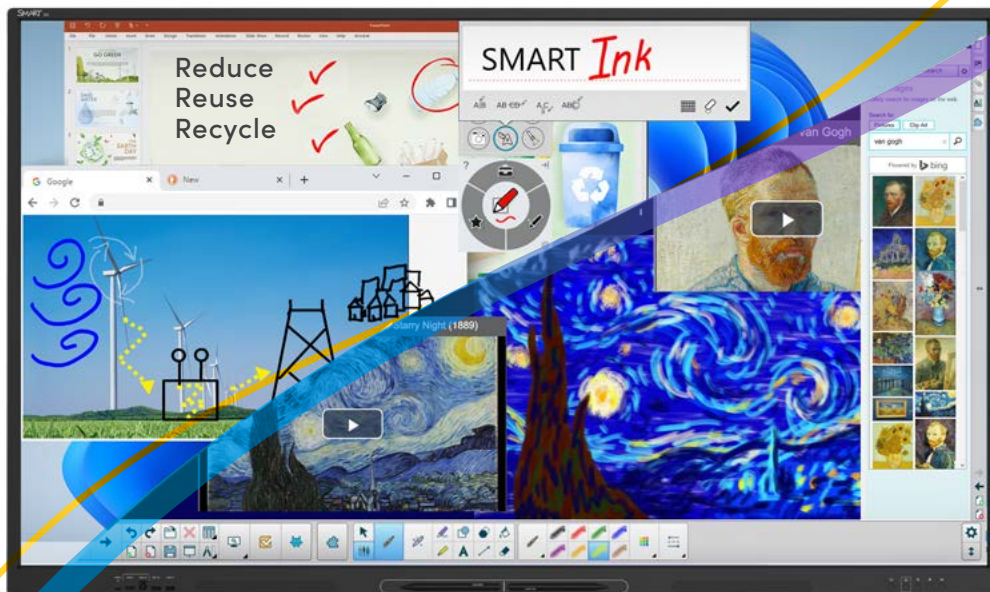

included FREE with your GX series interactive display

NO SUBSCRIPTION!

SMART Ink

Superior digital ink that behaves how you expect—and doesn't interfere with your teaching. It really is as easy as putting pen to paper.

- No overlays- write and navigate at the same time
- Intelligent activation - just pick up a pen and write
- Write, move, resize, and use ink-to-text in any application
- Save your ink into PDF and Microsoft Office file formats.

SMART Notebook

Optimized for SMART Board interactive displays, award-winning SMART Notebook is **FREE** learning software that helps you create dynamic, interactive lessons to encourage active learning.

Enable hands-on learning in a digital environment no matter what you're teaching, increasing student engagement and knowledge retention.

- Tools to help focus student attention like spotlight, screen shade and disappearing ink
- Simple and intuitive design for Mac and Windows.
- Plus thousands of free, ready-made lesson resources from [SMART Exchange](https://www.smarttech.com/smart-exchange).
